Agresso Occupational Health and Safety Policy

Agresso Pty Limited (Agresso) is committed to protecting the health and safety of all employees and customers while we are at work. To ensure compliance we have developed a health and safety management system that is integrated with our business activities.

All members of our team have a responsibility to work safely, to take all reasonable care for their own health and safety and to consider the health and safety of others who may be affected by their actions.

To build a safe work culture, Agresso is committed to:

- Complying with all applicable health and safety laws, regulations and standards;
- Providing safe equipment and ensuring our workplace is a safe place to work;
- Implementing risk management systems which are relevant and suitable for our business;
- Ensuring managers remain directly accountable for the health, safety and welfare of all of our employees, contractors and visitors;
- Working closely with our clients to ensure a safe environment whenever we work at their premises or at their locations; and
- Providing relevant and appropriate training to our employees and maintaining relevant policies, procedures and systems to ensure that we can deliver on this commitment.

Our Management Team will provide leadership to reinforce this commitment to ensure we meet our goals.
